CCPY-GENDER SENSITIZATION CELL

As per the provision of UGC Guidelines, a “Gender Sensitization cell is formed with the primary objective of committee within higher education institutions designed to address and prevent gender-based violence and discrimination by fostering awareness and promoting gender justice. The cell conducts programs, workshops, and awareness campaigns to create a safe, respectful, and equitable campus environment for all students and staff, and it serves as a platform for receiving and addressing complaints related to gender-based issues, to provide a platform for listening to complaints.

Objectives:

- **Promote Gender Equity:** The primary goal is to create an environment free from sexual harassment and gender-based discrimination.
- **Raise Awareness:** To increase understanding and responsiveness to the impact of gender on social roles, opportunities, and interactions.
- **Ensure Safety:** To safeguard the rights of female students, faculty, and staff and ensure their personal security on campus.
- **Address Complaints:** To provide a platform for listening to complaints related to gender discrimination and harassment.
